

Data Confidentiality Agreement

I,, hereby acknowledge that I will be granted access to the data of Birth Cohort Study data for the research purpose (manuscript writing). As a condition of this access, I agree to comply with all applicable data protection laws and regulations and take all reasonable measures to prevent the disclosure of confidential data.

Therefore, I agree to the following terms and conditions:

1. The data provided through this database will only be used for research purposes related to women's health from the Birth Cohort Study.
2. All data accessed through this agreement will be treated as confidential, and I will not make any attempt to identify any individual respondent who participated in the survey.
3. I will not pass on any data obtained through this agreement to other researchers or third parties without obtaining prior written consent from the Birth Cohort Study authorities. However, I may share the data with any co-researchers who are registered in my account for this research project.
4. The information obtained through this agreement will be retained for manuscript writing periods, and all data will be deleted from all devices after the completion of the study Date: 10/23/2025
5. I understand that any breach of this agreement may result in legal action being taken against me, and that I may be held liable for any damages resulting from such a breach.
